Executive Summary

This deliverable provides an overview of the current status of result dissemination from the CAREPATH clinical investigation. As the study is still ongoing, no final results have been posted to public registries yet. However, preliminary findings have been presented through an oral communication at the 2025 Annual Congress of the Sociedad Castellano-Manchega de Geriátría y Gerontología (SCMGG), and in a workshop at the Medical Informatics Europe (MIE) 2025 conference in Glasgow. Full results will be posted upon completion of the clinical investigation phase.
